STAFF CLOCK IN/OUT & SECURITY

Easy screen layout allowing fast transactions and never more than one touch away from required items. This graphical system drastically reduces the training time for operators and is fully customisable to meet the needs of any busy environment giving unlimited functionality.

TABLES ORDERS & BAR TABS

Easily store sales to tables at different locations or create Bar Tabs that can be stored and reopened to add more items or cash off. Pre-defined kitchen messages or add notes manually for kitchen printer. Transfer items to another table & link tables. Graphical representation of the restaurant dramatically speeds up transaction times and ensures everything is billed correctly. The use of colour coding enables staff to easily view all tables at a glance, allowing them to see the current state of all transactions.

STAFF CLOCK IN/OUT & SIGN ON

Staff can use Alpha Touch to clock in & out of work. Clock in can be mandatory before allowing staff sales functions.

Management can easily generate time & attendance reports to calculate hours worked by staff.

Different security levels can be assigned to staff limiting functionality e.g. reports, voids & refunds etc.

Sign onto the system using biometrics, swipe card, dallas key, pin code or simply tap on their name or picture on the screen.

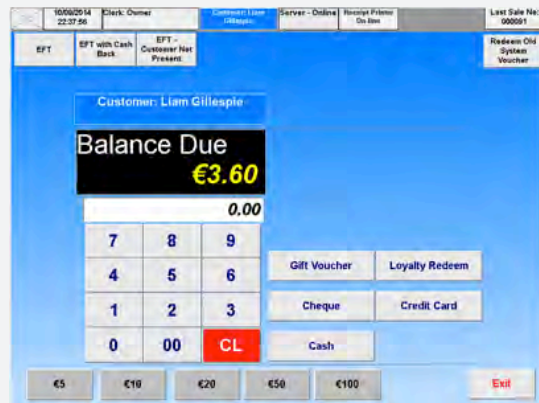

PAYMENT OPTIONS & STERLING

Multiple customer payment options are available including Cash, Cheque, Credit Card, Gift Voucher, Loyalty points redeem etc.

Gift Vouchers can be redeemed by barcode, number or persons name, when a voucher is redeemed you have the option of giving the change in cash or printing another voucher for the value, If a voucher is lost you can easily reissue a copy.

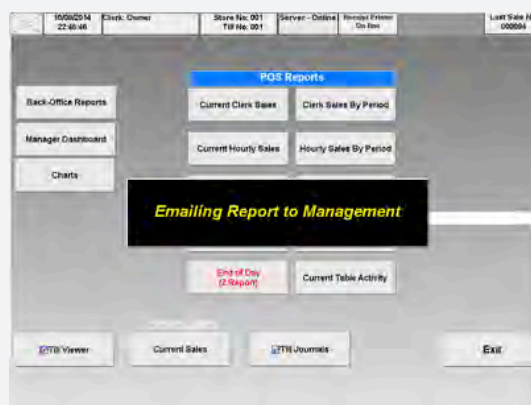

Sterling payment can be easily setup with an exchange rate set by the owner allowing Euro change to be calculated automatically.

MANAGEMENT REPORTS

Powerful reporting features:

A4 printable reports. Manager's dashboard showing live sales across all terminals. Stock Reports, Sales Reports, Clerk Sales Reports, End of Shift, Time & Attendance Email option allowing selected or automatic sending of reports to management etc. View current sales allowing voiding, reprint, repeat, refund and payment edit.

STOCK CONTROL

Take care of purchases, deliveries and returns, minimum & preferred stock levels.

Handheld stock taking link, Real time stock taking Automatically generates stock taking sheets and discrepancy reports, Print or Email Count Sheets
